

SeniorLAW Center  
Protecting The Rights of Older Pennsylvanians

**The Hospice and Home Care Legal Project**

Bridging the Divide between Legal and Health Care Services:  
Legal Education for Health Care Providers  
and Legal Services for Chronically-Ill Seniors in Need

**Training and Education**

By partnering with hospice and home care providers in Southeastern Pennsylvania, SeniorLAW Center will:

- Survey physicians, nurses, social workers and home health aids to determine misconceptions and areas for basic legal education
- Develop legal training for hospice and homecare providers based on survey outcomes
- Create an Elder Law primer for health care professionals in Pennsylvania

**Legal Services**

Chronically and Terminally-Ill Seniors in Philadelphia aged 60 and over will have access to:

- Free Legal Advice, Information, and Referrals through SeniorLAW Center and its staff

SeniorLAW Center will partner with *Villanova Law School* and its *Lawyering Together Program*

- Volunteer attorneys and law students will be teamed to handle pro bono cases for low-income clients and to help develop the next generation of elder advocates.
